Agenda item 12

Dear Clerk,

You will recall that we last contacted you in the Spring as our Campaign group were very anxious about some of the decisions of the District Council and the manner in which they were reached. We had hoped to progress the matter rather sooner but the changes in the make-up of the Council after the last election slowed things down somewhat. Nevertheless a small group from our Campaign did eventually have a meeting with the Council Leader in the summer and he promised the Council would consider the matter and we should receive some information on their deliberations in September or October.

We have therefore arranged a public meeting on Thursday, 14th November at Heathcoat School Community Centre, Tiverton at 7.30 p.m. to review what if any progress MDDC has made in this matter. We very much hope a representative of your Council may be able to attend this meeting and it would be helpful if you would kindly let us know whether and how many representatives will be attending.

Yours sincerely, Judy Tucker
