Quote No ACB01/426

Site: Clock Access, St Mary the Virgin Church, Silverton.

Dear Albert,

Thank you for your enquiry dated 12/02/20. We are pleased to submit the following quotation for the hire, delivery and erection, dismantling and clearing of scaffolding.

All scaffolding will comply with the Work at Height Regulations 2005.
All materials are to be supplied and fixed once only, unless otherwise stated.

Please do not hesitate to contact me should you have any queries.

Kind regards

Kevin Moran
Operations manager

Trading conditions	This quotation is also subject to MCS Scaffolding Ltd conditions for hire, erection and dismantling of scaffolding. – Please see next page
Minimum period of hire	Commences on first delivery or completion of 1 st lift, and terminates on written instructions to dismantle.
Payment terms	All prices quoted are subject to VAT, which will be added to the invoice at the current rate. 100% of the cost is due at the point of erection.
Insurance	MCS Scaffolding Ltd has Public Liability Insurance up to £5,000,000 and Employers Liability Insurance up to £10,000,000 to cover its operations. The cover provided is subject to terms, limitations and conditions of the policies. For full details please contact our office. Additional cover can be arranged at your request if required.
Boards	As scaffold boards are often moved after we have placed them in position, we would remind you that it is your responsibility to ensure that the working platforms comply with the regulations at all times.
Foundations	You are to ensure that the ground and/or base provided for our scaffold is adequate to support the load without settlement, and provide any necessary spreaders.
Ties and bracing	You are to ensure that adequate facilities for tying are made available and are maintained. No ties or braces are to be removed without references to MCS scaffolding Ltd
Sheeting / Signage	MCS scaffolding Ltd is not responsible for damage caused by high winds or misuse. Signs/tarpaulin sheets (or other windsails) must not be fixed to a scaffold unless it has been specifically designed to take them.
Inspection	The work at Height Regulations 2005 require equipment for work at height to be properly inspected and maintained. If MSC Scaffolding Ltd is not contracted to carry out weekly regulatory inspections and recordings, the user should ensure these are being carried out by a suitably competent person.

Terms and Conditions

MCS Scaffolding Ltd

Terms and Conditions for Hire, Erection and Dismantling of Scaffold

1. The scaffold is to be used for the purpose described and must not be overloaded or the number of lifts exceeded.
2. The Hirer will ensure all necessary permissions have been obtained from the Local Authority that any necessary Building Notices have been submitted in accordance with regulations and that we have been informed of this in writing before commencement of any works. This includes any necessary road closure.
3. We regretfully cannot accept responsibility for damage that may occur to cultivated areas, although every possible care will be taken.
4. The quotation is based on the measurements taken at survey by MCS Scaffolding Ltd any changes to the original quote will therefore be subject to a further site inspection and measurement.
5. The quotation is based upon the assumption that work will be within normal working hours. Any work required outside of these hours will be additionally invoiced to the Hirer.
6. Suitable access for our delivery transportation is required, enabling the material to be offloaded and re-loaded.
7. All scaffolds are erected and maintained to current Health and Safety legislation standards. We are committed to ensuring we remain up to date with current legislation and will provide scaffolds built to the highest quality standards.
8. All scaffolds will be Scaffold Tagged and signed off by a qualified and competent member of staff. This will be maintained as appropriate during the period of hire.
9. The Hirer will ensure the security of the scaffold at all times, preventing unauthorised access.
10. Please remove satellite dishes from buildings before we commence erection of the scaffold. It is your responsibility to replace it afterwards. If you do not remove it, we cannot accept responsibility for any damage.
11. None of our materials are fire retardant, unless specifically stated in the quotation.
12. The Hirer is to ensure that we are provided with a firm and level base for our scaffold that will not settle under the self-weight plus the design loads imposed. The base is to extend at least 300mm outside the scaffold. If timbers larger than 2" scaffold boards are required, these are to be provided by the Hirers.
13. Single scaffold boards used as sole boards/plates have been provided for. If this is not sufficient for the ground conditions, you will be additionally invoiced.

Web: www.mcscscaffolding.co.uk

14. This quotation is based upon current regulations and legislation. Should these or any working practices change, any resulting extra work or provision will be invoiced as appropriate.

15. The Hirer will ensure that the roof safely supports the weight of the scaffold structure plus the design imposed load. We regretfully cannot accept responsibility for damage caused by or arising from working off fragile roofs, although every possible care will be taken.

16. The Hirer is fully responsible for the protection of the roof and therefore any damage.

17. No additional items such as protective sheeting, debris netting, etc. may be fixed to our scaffolding without our written permission.

18. Off hired scaffolds are removed as soon as possible within the scheduling of the day to day business, we do not accept any responsibility for delays incurred in works during this period. (We actively encourage liaison with us to ensure the dismantle period causes minimum disruption to the Hirer).

19. The hire period stated in the quotation denotes the minimum length of the contract. There will be no refund for any remaining hire period.

20. Should the hire period stated in the quotation be exceeded, the Hirer is liable for over hire charges at 6% of total scaffold costs per week, until point of off hire.

21. 100% of the cost is due for payment at the point of erection. For customers who have account terms with us the payment terms are strictly 30 days.

22. The quoted price is firm for 24 weeks.

23. Payment terms for existing clients, subject to credit clearances, are strictly 30 days following the date of the invoice and we reserve the right to charge interest, at the current rate, on all overdue accounts.

24. Cancellation of jobs may be made by phoning Head Office on 0845 3666 520, we regret that non-notification of cancellation will incur a cancellation fee, for wasted man hours, travelling and time on site. Each fee will vary according to distance travelled and size of job/preparation.

By accepting the quote and proceeding with scaffolding erection, the Hirer accepts all the terms listed above and agrees to abide by these terms.
