

Footpath 1: Charterhouse (was Cuckoo's Nest) to Long Lane near Haydon (0.54 miles)

Leave the road just the Stoodleigh side of Charterhouse and cross the field bearing slightly right following the direction of the fingerpost and through a gate in the opposite hedge.

Keep bearing slightly right cross the field, past a tree in the middle, to a gateway (without a gate) in the hedge ahead.

Follow the direction of the fingerpost over the brow of the hill heading towards the right hand end of the trees on the horizon.

Turn right at a fingerpost pointing back the way you have come and follow the hedge to the corner of the field.

Turn left over the stile then right over a bridge (no handrail).

Follow the path between the stream and the fence until you get to the end then up the steps and over the stile onto Long Lane near Haydon.

Footpath 1: Long Lane near Haydon to Charterhouse (was Cuckoo's Nest) (0.54 miles)

Leave Long Lane about 100 yds the Stoodleigh side of Haydon Hayes, over a stile and down some steps.

Follow the footpath between the fence and the hedge alongside a field until you get to a bridge (no handrail).

Cross the bridge and turn left to go over a stile then turn right and follow the hedge for about 30 yds to a fingerpost.

Follow the direction of the fingerpost across the brow of the hill towards the rightmost tree on the horizon.

Go through the gateway (without a gate) just to the left of the tree and cross the field, going past a tree in the middle, to a gateway in the opposite hedge.

Cross the next field, still bearing slightly right, towards the trees on the left of the house.

Go through the gate onto the road by Charterhouse.
