Subject: Grant to Church

Dear Tim

Thank you for your application on behalf of the Church of St Cyr and Julitta for a Parish Council grant. The Parish Council considered your application at its December meeting and decided to award a grant of £1,000.00

The Council also decided that the grant should be specifically awarded as a contribution towards setting up, during the next Financial year, the new Garden of Peace and Reflection to be located in the meadow adjacent to the Churchyard as gifted to the Parish Council by John Quicke.

Please could you confirm your acceptance of the grant for the purpose and also your acceptance of the Church's responsibility for the future upkeep and management of the meadow

Many thanks

Chairperson

Newton St Cyres Parish Council

Rec:

Subject: Grant to NSC Rec

Dear Carrie-Ann

Thank you for your application on behalf of the Newton St Cyres Recreation Ground for a Parish Council grant. The Parish Council considered your application at its December meeting and decided to award a grant of £2,000.00

The Council also decided that the grant should be specifically awarded as a contribution towards the refurbishment and renewal of the children's playground that, it is anticipated, will take place during the coming financial year.

Please could you confirm your acceptance of the grant for this purpose.

Best wishes

Parish Hall:

Dear Nigel

Thank you for your application on behalf of the Newton St Cyres Parish Hall Trustees for a Parish Council grant. The Parish Council considered your application at its December meeting and decided not to award a grant but, instead, to earmark an amount of up to £2,000.00 in its budget for the next financial year to address the cost of work required to fix the problem of damp affecting the Club Room.

The Council agreed to consider quotations obtained by the Parish Hall from builders for the work required to address this problem. It is anticipated that this work will take place during the coming financial year. The sum will become payable on approval by the Parish Council of the cost of the work required.

Best wishes
