All are welcome to attend our meetings, which are open to the public, with the very occasional exception of specific pieces of confidential business. At each meeting there is a 15 minutes 'Open Forum' for members of the public to bring forward any issues not on the agenda; and where a matter is already on the agenda members of the public will be given an opportunity to speak when that item is considered, within the framework of the Council's standing orders.

The official notice & agenda of Parish Council meetings can be seen on the noticeboard opposite the School a minimum of 3 clear days (excluding Sundays & Bank Holidays) prior to the meeting.
