

Agenda Item 7.2

Proposal for Rec Ground on spending the remaining grant for this year.

There are two proposals to consider

- 1) The Parish Council uses the balance of the grant to purchase some/all of the equipment listed below and/or
- 2) The Parish Council makes a contribution towards the cost of a new shipping container which will be used to store power tools following the break in earlier this year. Cost of shipping container is £2,000.00 plus VAT

Grant provision: The grant provision for the Rec this year is £2,000 and this was granted towards improvements to play equipment. To date we have granted £304.91 towards the cost of repairs, leaving £1,695.09. Some painting is still required which will be done next year – so we should allow £200.00 – balance **£1,495.09**

Suggested list of equipment below

i) A new adult bench

£550.00 – recycled plastic – free delivery (Company is in Devon)

Would need fixing down with ground anchors (avoiding concrete)

25mm Ground Anchors

ii) A new picnic table for children

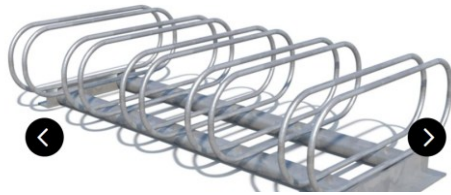

£295.00 – recycled plastic – free delivery. Would also need fixing down with ground anchors

iii) **New sign**

Stating "All children using this equipment must be adequately supervised" Metal sign to be fixed to wooden posts – estimated cost £170.00

iv) **Cycle racks** - Double sided rack £146.00

S106 funding

There is currently £7,725.00 in the pot.

Do we want to bid to spend all this amount on the Rec? It has to be used in a public open space.

The Rec have suggested equipment listed below which comes to £7,974. 00

FLZ Balance Beams : Safety Grass				1.0	£1,701.20
	6210-089	FLZ - Balance Beams	£548.00	1.0	
	6210-089-INST	Installation of FLZ - Balance Beams	£160.00	1.0	
	6130GRASS	Wicksteed Safety Grass - (1.5m X 1m X 23mm Thick)	£44.50	13.0	
	6130GRASS-INST	Installation of Safety Grass	£31.90	13.0	
FLZ Hyper Extension Bench : Safety Grass				1.0	£1,677.80
	6210-094	FLZ Hyper Extension Bench	£521.00	1.0
